B1. Presentation by HoD’s (CE, ME, EEE, CSE) on feedback by NBA
Each head of the department made presentations on the feedback by NBA. The remarks of the BoG after the presentations are given below.

- Each year the syllabus may be sent to eminent industry people and to IIT professors for getting suggestions on updating the same.
- Funding projects from industry is very important and efforts must be taken for enhancing collaborative work with industry. Dr. Sabu Thomas offered to come and deliver an expert session on improving the research culture and also regarding the availability of funding opportunities available for enhancing research.
- Lack of placements in core companies is an area of concern and steps have to be taken to improve the same.
- Data of students who got placement after moving out of the campus need to be collected.
- A lecture is to be given to students regarding publishing in journals and conferences.
- Evolve an PR policy for the institution and publish it in the institutional website.
- Self learning is to be encouraged and proper documentation regarding this is to be done.
- Enhance the academic ambience of the faculty rooms.
- Flipped class room concept needs to be practiced occasionally.
- HOD’s and senior professors may visit some outstanding departments in the country to learn about the best practices there.
- From the feedback from NBA it is evident that the documentation regarding evidence of attainment of PO’s and PEO’s are minimal and the same needs to be improved.
