Three day workshop on
ROAD SAFETY & ACCIDENT CONTROL
3rd to 6th June 2022

Registration form
Name (in block letters): (Mr/Mrs/Ms)

Designation: _______________________

Organization: _______________________

Mailing address: _______________________

Email id: _______________________

Mobile no: _______________________

Educational qualification: _______________________

Specialization: _______________________

Years of experience: _______________________

Signature of Applicant

(Mr/Mrs/Ms) _______________________

will be permitted to attend the entire programme if selected.

Resource Persons

Dr. Samson Mathew
Director, NATPAC

Dr. Tom V Mathew
IIT Bombay

Mr. B. Anish Kini
Scientist, NATPAC

Dr. Bino I. Koshy
Professor
Amal Jyothi College of Engineering

Sponsored by
TEQIP Phase II

Course Coordinators: Jomy Thomas
Bindhu B K

Phone: +91-9446064474
+91-9605889350

bindhu@rit.ac.in

Three day workshop on
Road Safety & Accident Control
3rd to 6th June 2022

Department of Civil Engineering
Rajiv Gandhi Institute of Technology
(Govt. Engineering College)
Velloor P. O, Kottyam, 686501
Introduction

In today's society, roads and transportation have become an essential aspect of everyone's daily life. In some way or other, everyone is a road user. The current transportation system has reduced distances while also increasing the chance of death. Every year, traffic accidents claim the lives of lakhs of people and cause grievous injuries to millions more. Many crashes occur as a result of negligence or a lack of road safety knowledge on the part of the engineers and planners. As a result, road safety awareness is just as important as any other technical knowledge.

Course Content

- Principles and Practices of Traffic Safety
- Technological Advances in Traffic Safety Analysis
- Road Safety Audit - Procedures, Concept, Stages & Case studies
- Safety assessment in Transport Planning and Traffic Operation

Venue

Department of Civil Engineering

Rajiv Gandhi Institute of Technology

Rajiv Gandhi Institute of Technology, named after the late Prime Minister Sri Rajiv Gandhi, run by the Government of Kerala, started functioning in 1991. It has established a vast infrastructure and put together a team of dedicated teachers. The government has started this institution in the view of making it a center for post graduation and research studies. The college is affiliated to the APJ ABDUL KALAM TECHNOLOGICAL UNIVERSITY. RIT, the sanctum of technology aims at providing high quality education for talented students from all sections of the society.

Vision

Be a centre of technological excellence for the betterment of society.

Mission

To impart professional education to students from all sectors of the society to mould them to be competent, committed, research oriented and socially responsible citizens capable of deploying technology for the goodwill of society.

Vision

To be a centre of high quality academic programmes, consultancy extension services in civil engineering.

Mission

To develop and deliver undergraduate, post-graduate and research programmes capable of evolving various sustainable habitat and infrastructural solutions through better pedagogic practices, better facilities and constant knowledge upgradations to staff.
